

Instructions:

1. Print the gift card on A4 paper, preferably a slightly thicker paper to prevent show-through. Don't forget to select double-sided (duplex) printing in your print settings!
2. Cut along the dotted line to separate the card from these instructions.
3. Fold the card in half.
4. Fill in the information wanted and the gift card code which can be found in your email.

Psst... When folded, it fits perfectly in a classic envelope!
